Remarks

Welcome to 415 S. Saint George Street... Just open the front door and say wow! Walk into the spacious great room/living room/ dining room concept with new vinyl flooring and freshly painted. The galley kitchen offers all the working space you need. Walk out into the patio where you can easily grill and enjoy the outside. A half bath completes the first floor. Three bedrooms upstairs, including the master, and a full bath are perfect living space. The lower level family room is ready for a big screen TV for lots of games and entertainment and also has a utility room with washer, dryer, and cedar closet. Central Air too!!! Situated on a leafy cul de sac and just seconds from hospitals and schools What a great opportunity to own this home... Come see for yourself today!
